V INTERNATIONAL SCIENTIFIC CONFERENCE

CHILD PEDAGOGY

CHILDHOOD AND EDUCATION IN THE ERA OF GLOBALIZATION

19–20 November 2026

Institute of Pedagogy
Jan Amos Komeński State University of Applied Sciences in Leszno
in cooperation with the Section of Early Childhood Education of the Committee of Pedagogical Sciences of the Polish Academy of Sciences

Announcement No. 3

Dear Colleagues,

we would like to sincerely thank you for your interest in the **5th International Scientific Conference "Child Pedagogy – Childhood and Education in the Era of Globalization"**, which will be held on **19–20 November 2026** at the Jan Amos Komeński State University of Applied Sciences in Leszno.

In response to the expectations of those interested in participating in the conference, while taking into account the diverse organizational and geographical circumstances of participants, we have decided to expand the available forms of participation.

On **19 November 2026**, the conference sessions will be held **in person** at the premises of the Jan Amos Komeński State University of Applied Sciences in Leszno.

On **20 November 2026**, participants will also have the opportunity to attend selected sessions **online**. This option is intended both for those interested in active participation in the conference and for participants who, for various reasons, are unable to attend the event in person.

We hope that this additional form of participation will facilitate the involvement of representatives of academic and research communities from Poland and abroad and enable an even broader exchange of experiences and reflections concerning contemporary child pedagogy.

Conference thematic areas

The programme includes the following thematic areas:

1. Sources and Origins of Child Pedagogy
2. Tradition and Modernity in Child Pedagogy in the Context of Increasing Globalization, Technologization and Multiculturalism
3. Childhood in the Era of Globalization
4. Didactic Areas of Child Pedagogy in the Era of Globalization
5. The Educational Environment for Children's Development in the Era of Globalization
6. Diagnosing and Developing Children's Abilities and Creativity
7. Learning and Behavioural Difficulties
8. The Early Childhood Education Teacher – Education, Further Training, Professional Development, Competences and Professionalization
9. The Digital Environment as a Source of Inspiration and Support for Children's Development
10. Children from Culturally Diverse Environments
11. Global and Polish Trends in Child Pedagogy

Conference languages: Polish and English.

Forms of Participation

The following participation options are available:

Date	Form of participation
19 November 2026	In-person participation, with or without a presentation
20 November 2026	In-person or online participation, with or without a presentation

Participants select their preferred form of participation during conference registration via the Registration form

Please note: Online participation will be available **only on 20 November 2026** and will cover the sessions indicated in the conference programme.

The detailed programme, including the times of individual sessions and information about the sessions available online, will be provided to participants before the conference.

Information concerning the thematic scope of the conference, the Scientific and Organizing Committees, and organizational matters was included in the previous announcements, **Announcement No. 1** and **Announcement No. 2**.

Online Participation – Organizational Information

Participants attending the conference online will receive an individual link allowing them to join the sessions before the conference.

Online participation will be conducted via **Microsoft Teams**.

The session link will be sent to the email address provided during registration. Please use the email address indicated in the registration form.

For organizational reasons, online participants are kindly requested to join the meeting **at least 5–10 minutes before the beginning of the session** they intend to attend.

Detailed technical information, including instructions on how to join the meeting, will be provided to participants before the conference.

Information for Online Presenters

Participants who have registered for **active participation in the conference online** are requested to prepare their presentations in accordance with the rules applicable to all presenters.

The presentation time is **15 minutes**.

Presentations should be prepared in **PDF or PPTX format**.

Conference Fee

The conference fee is:

- **PLN 350** – participation in the conference for one day, either in person or online.

Participants attending the conference online will receive an **electronic certificate of participation**.

Detailed information concerning payment and invoice details is provided in the registration form and conference materials.

Important Dates

19 October 2026 – deadline for registration and submission of abstracts

10 November 2026 – deadline for payment of the conference fee

19–20 November 2026 – conference dates

15 January 2027 – deadline for submission of texts intended for publication

Detailed information concerning publication opportunities and requirements for preparing the texts will be provided to participants in a separate announcement.
